Dear Mr. Philyaw:

Your permit applications dated March 26, 2015 for Radio Site Generators were received on March 26, 2015. A determination has been made that the applications are complete and the Division will proceed with the processing of your construction permit applications.

If you have any questions concerning this correspondence, please contact Randy Powers at (615) 532-0604 or at Randy.Powers@tn.gov.

Sincerely,

John Fuss, Section Manager
West Tennessee Permit Program
